Re: Egiazaryan v. Zalmayev, 11 Civ 2670 (PKC)

Dear Judge Castel:

We represent the defendant, Peter Zalmayev, in the above referenced matter.

I write to request a short extension of time from July 27 to August 5, 2011 for the defendant to file his answer to Count I of the complaint and his counterclaims. The parties have already exchanged document requests, and the requested extension should not impact upon the pace of discovery or the pending motion to dismiss Counts II through V of the complaint. We have not previously requested an extension of the time to answer that was established by your Honor in the Civil Case Management Plan and Scheduling Order. Additionally, we have consulted with adversary counsel, Mr. Lupkin, and he has consented to this extension of time.

If the proposed extension is acceptable to the Court, we respectfully request that it be formally approved by memo-endorsed order. Thank you for your consideration.

Respectfully,

THOMAS B. ROBERTS
